The image shows the Blackboard authentication page. It has a dark background with the "Blackboard" logo at the top. Below the logo, there are two input fields: "Username" and "Password". Below these fields is a "Sign In" button. To the right of the "Sign In" button is a link that says "Forgot Password?". At the bottom, there is a button that says "Sign in with third-party account" with a dropdown arrow.

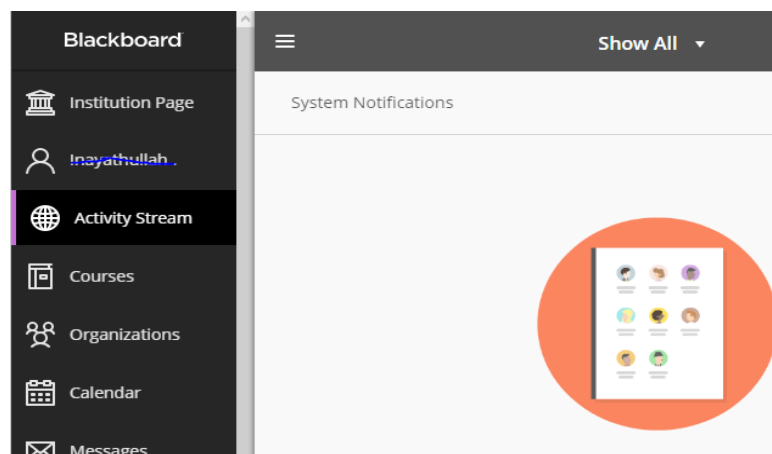

- 5- Here we are using Sign-in option, with third-party account – It has **Using Office 365** option [as show in below picture]

- 6- Here you have to select Using Office 365 option, and login with your UBT official email ID with password. [as shown in below picture].
